The new showroom features exquisitely styled vignettes that represent individual rooms found in a home, including a foyer, living room, dining room and bedroom, allowing visitors to envision Kneen & Co's products in their own spaces.

Kneen & Co offers designer brands spanning tabletop, home décor, lighting and linens, all of which are thoughtfully selected by Founder and CEO Mary Jeanne Kneen and her team of experts. The new showroom also highlights the company's customization capabilities by featuring bespoke tabletop décor, luxe custom bedding, one-of-a-kind light fixtures and specially made leather furniture.

Having worked closely with renowned décor brands for over two decades, Kneen has developed lasting relationships that enable Kneen & Co to be one of the first U.S. retailers to receive new products from its partners and offer hard-to-find and unique pieces for its clients. In addition to presenting sought-after collections and the latest releases from some of the world's most beloved brands including Nymphenburg, Venini, Saint-Louis and Lobjoy, Kneen & Co has expanded its collection to include Augarten, Giberto Venezia, Richard Ginori and more.
